Pre-Auction Offers

Pre-auction offers must be submitted in writing to the Auctioneers' office by letter or email, including name, address, telephone number and details of solicitors. Any pre-auction offer received is assumed to be a 'best offer' and no guarantee is given that there will be an opportunity to increase or review the offer should it not be accepted or should a better offer be received. Pre-auction offers can only be considered on the basis of an exchange of contracts prior to auction with a 10% deposit and payment of the Auctioneers' administration fee. If an offer is accepted the lot will not be withdrawn from the catalogue or advertising programme until exchange of contracts has taken place.

Guide Prices & Reserves

Guides are provided as an indication of each seller's minimum expectation. They are not necessarily figures which a property will sell for and may change at any time prior to the auction. Each property will be offered subject to a Reserve (a figure below which the Auctioneer cannot sell the property during the auction) which we expect will be set within the Guide Range or no more than 10% above a single figure Guide.

1. The bidder must complete a separate authority form for each Lot involved, and provide a clearing bank cheque for 10% of the maximum amount of the bid for each Lot. **Please note the minimum deposit for any telephone bid is £3,000 per lot.**
2. The form must be sent to, or delivered to: Pearsons, 62 High Street, West End, Southampton, SO30 3DT to **arrive before 6pm two working days prior to the start of the auction.** It is the bidder's responsibility to check that the form is received by Pearsons and this can be done by telephoning the office.
3. The bidder shall be deemed to have read the "Important Notice to Prospective Buyers"; the particulars of the relevant Lot in the catalogue; the general and special conditions of sale. The bidder shall be deemed to have taken all necessary professional and legal advice and to have made enquiries and have knowledge of any announcements to be made from the rostrum of any amendments relating to the relevant Lot. Announcements can and should be checked by bidders on the day before the auction however the Auctioneers will advise the bidders of any announcements as soon as possible prior to the Auction.
4. In the case of telephone bids, at about the time that the Lot come up for auction attempts will be made to contact the bidder by telephone and, if successful, the bidder may then compete in the bidding.
Otherwise the Auctioneers will not bid except by prior written arrangement.
5. In the event that the telephone link is not established, or breaks down, or there is any confusion or disruption, Pearsons will bid/continue to bid on behalf of the bidder up to the maximum of the prior written authorisation.
6. In the case of written bids, Pearsons staff will compete in the bidding up to the maximum of authorisation.
7. Pearsons reserve the right not to bid on behalf of telephone/written bidders, in the event of any error, doubt, omission, uncertainty as to the bid, or for any reason whatsoever, and give no warranty, or guarantee, that a bid will be made on behalf of the bidder and accept no liability.
8. In the event that the telephone/written bid is successful the Auctioneer will sign the Sale Memorandum on behalf of the bidder (a Contract will have been formed on the fall of the hammer).
9. In the event of a Contract, the deposit cheque will be applied so far as necessary to meet the requirement for a 10% deposit (**minimum £3,000**) and the balance of the deposit (if any) will be returned to the bidder.
10. In the event that the bidder is unsuccessful, the deposit cheque will be returned to the bidder promptly.
11. Once delivered to the Auctioneers, the authority to bid is binding on the bidder on the day on which the particular Lot is auctioned. This is to allow for the possibility of a Vendor agreeing to sell post auction where the bidding has not reached the reserve.
12. The authority can only be withdrawn by notification in writing delivered to Pearsons at their office two hours before the start of the auction on the day the relevant Lot is scheduled to be auctioned, or by delivery into the hands of the Auctioneer in the auction room half an hour before the start of that day's auction. It is the bidder's responsibility to obtain confirmation of receipt on a copy of the withdrawal notification signed by one of the Auctioneers and without such a receipt the authority stands and any subsequent Contract is binding on the bidder.
13. If the bidder, or an agent, actually bids at the auction without having previously withdrawn the authority, the Auctioneer is at liberty to accept such a bid in addition to any bid from Pearsons staff as empowered under the telephone/written authority. Pearsons would have no liability whatsoever if the price achieved is the result only of this competition in bidding without intervention from other bidders.

Common Auction Conditions

Introduction

The Common Auction Conditions have been produced for real estate auctions in England and Wales to set a common standard across the industry. They are in three sections:

Glossary

The glossary gives special meanings to certain words used in both sets of conditions.

Auction Conduct Conditions

The Auction Conduct Conditions govern the relationship between the auctioneer and anyone who has a catalogue, or who attends or bids at the auction. They cannot be changed without the auctioneer's agreement.

These conditions are set out in a two-part notice to bidders in the auction catalogue, part one containing advisory material – and part two the auction conduct conditions.

Sale Conditions

The Sale Conditions govern the agreement between each seller and buyer. They include general conditions of sale set out herein. The sale of each lot is also subject to special conditions of sale, tenancy and arrears schedules which are available from the Auctioneer.

Important Notice

A prudent buyer will, before bidding for a lot at an auction:

- Take professional advice from a conveyancer and, in appropriate cases, a chartered surveyor and an accountant;
- Read the conditions;
- Inspect the lot;
- Carry out usual searches and make usual enquiries;
- Check the content of all available leases and other documents relating to the lot;
- Check that what is said about the lot in the catalogue is accurate;
- Have finance available for the deposit and purchase price;
- Check whether VAT registration and election is advisable.

The conditions assume that the buyer has acted like a prudent buyer.

If you choose to buy a lot without taking these normal precautions you do so at your own risk.

Glossary

This glossary applies to the auction conduct conditions and the sale conditions.

Wherever it makes sense:

- singular words can be read as plurals, and plurals as singular words;
- a "person" includes a corporate body;
- words of one gender include the other genders;

Auction conduct conditions

A1. Introduction

A1.1 Words in bold blue type have special meanings which are defined in the Glossary.

A1.2 The catalogue is issued only on the basis that you accept these auction conduct conditions. They govern our relationship with you and cannot be dispensed or varied by the sale conditions (even by a condition purporting to replace the whole of the Common Auction Conditions). They can be varied only if we agree.

A2. Our role

A2.1 As agents for each seller we have authority to:

- a) prepare the catalogue from information supplied by or on behalf of each seller;
- b) offer each lot for sale;
- c) sell each lot;
- d) receive and hold deposits;
- e) sign each sale memorandum; and
- f) treat a contract as repudiated if the buyer fails to sign a sale memorandum or pay a deposit as required by these auction conduct conditions.

A2.2 Our decision on the conduct of the auction is final

A2.3 We may cancel the auction, or alter the order in which lots are offered for sale. We may also combine or divide lots. A lot may be sold or withdrawn from sale prior to the auction.

A2.4 You acknowledge that to the extent permitted by law we owe you no duty of care and you have no claim against us for any loss.

A3. Bidding and reserve prices

A3.1 All bids are to be made in pounds sterling exclusive of any applicable VAT.

A3.2 We may refuse to accept a bid. We do not have to explain why.

A3.3 If there is a dispute over bidding we are entitled to resolve it, and our decision is final.

A3.4 Unless stated otherwise each lot is subject to a reserve price (which may be fixed just before the lot is offered for sale). If no bid equals or exceeds that reserve price the lot will be withdrawn from the auction.

A3.5 Where there is a reserve price the seller may bid (or ask us or another agent to bid on the seller's behalf) up to the reserve price but may not make a bid equal to or exceeding the reserve price. You accept that it is possible that all the bids up to the reserve price are bids made by or on behalf of the seller.

A3.6 Where a guide price (or range of prices) is given that guide is the minimum price at which, or range of prices within which, the seller might be prepared to sell at the date of the guide price. But guide prices may change. The last published guide price will normally be at or above any reserve price but not always – as the seller may fix the final reserve price just before bidding commences.

A4. The particulars and other information

A4.1 We have taken reasonable care to prepare particulars that correctly describe each lot. The particulars are based on information supplied by or on behalf of the seller. You need to check that the information in the particulars is correct.

A4.2 If the special conditions do not contain a description of the lot, or simply refer to the relevant lot number, you take the risk that the description contained in the particulars is incomplete or inaccurate, as the particulars have not been prepared by a conveyancer and are not intended to form part of a legal contract.

A4.3 The particulars and the sale conditions may change prior to the auction and it is your responsibility to check that you have the correct versions.

A4.4 If we provide information, or a copy of a document, provided by others we do so only on the basis that we are not responsible for the accuracy of that information or document.

A5. The contract

A5.1 A successful bid is one we accept as such (normally on the fall of the hammer). This condition A5 applies to you if you make the successful bid for a lot.

A5.2 You are obliged to buy the lot on the terms of the sale memorandum at the price you bid plus VAT (if applicable).

A5.3 You must before leaving the auction:

- a) provide all the information we reasonably need from you to enable us to complete the sale memorandum (including proof of identity if required by us);
- b) sign the completed sale memorandum; and
- c) pay the deposit.

A5.4 If you do not we may either:

- a) as agent for the seller treat that failure as your repudiation of the contract and offer the lot for sale again; the seller may then have a claim against you for breach of contract; or
- b) sign the sale memorandum on your behalf.

A5.5 The deposit:

- a) is to be held as stakeholder where VAT would be chargeable on the deposit were it to be held as agent for the seller, but otherwise is to be held as stated in the sale conditions; and
- b) must be paid in pounds sterling by cheque or by bankers draft made payable to Pearsons Southern Ltd on an approved financial institution. The extra auction conduct conditions may state if we can accept any other form of payment.

A5.6 We may retain the sale memorandum signed by or on behalf of the seller until the deposit has been received in cleared funds.

A5.7 If the buyer does not comply with its obligations under the contract then:

- a) you are personally liable to buy the lot even if you are acting as agent; and
- b) you must indemnify the seller in respect of any loss the seller incurs as a result of the buyer's default.

A5.8 Where the buyer is a company you warrant that the buyer is properly constituted and able to buy the lot.

A6. Extra Auction Conduct Conditions

A6.1 Despite any special conditions to the contrary the minimum deposit we will accept is £3,000 (or the total price, if less). A special condition may, however, require a higher minimum deposit.

General conditions of sale

Words in bold blue type have special meanings, which are defined in the Glossary.

These general conditions (including any extra general conditions) apply to the contract except to the extent that they are varied by special conditions or by an addendum.

G1. The lot

G1.1 The lot (including any rights to be granted or reserved, and any exclusions from it) is described in the special conditions, or if not so described the lot is that referred to in the sale memorandum.

G1.2 The lot is sold subject to any tenancies disclosed by the special conditions, but otherwise with vacant possession on completion.

G1.3 The lot is sold subject to all matters contained or referred to in the documents, but excluding any financial charges; these the seller must discharge on or before completion.

G1.4 The lot is also sold subject to such of the following as may affect it, whether they arise before or after the contract date and whether or not they are disclosed by the seller or are apparent from inspection of the lot or from the documents:

- a) matters registered or capable of registration as local land charges;
- b) matters registered or capable of registration by any competent authority or under the provisions of any statute;
- c) notices, orders, demands proposals and requirements of any competent authority;
- d) charges, notices, orders restrictions agreements and other matters relating to town and country planning, highways or public health;
- e) rights, easements, quasi-easements and wayleaves;
- f) outgoing and other liabilities;
- g) any interest which overrides, within the meaning of the Land Registration Act 2002;
- h) matters that ought to be disclosed by the searches and enquiries a prudent buyer would make, whether or not the buyer has made them; and
- i) anything the seller does not and could not reasonably know about.

- G1.5 Where anything subject to which the lot is sold would expose the seller to liability the buyer is to comply with it and indemnify the seller against any liability.
- G1.6 The seller must notify the buyer of any notices, orders, demands, proposals and requirements of any competent authority of which it learns after the contract date but the buyer must comply with them and keep the seller indemnified.
- G1.7 The lot does not include any tenant's or trade fixtures or fittings.
- G1.8 Where chattels are included in the lot the buyer takes them as they are at completion and the seller is not liable if they are not fit for use.
- G1.9 The buyer buys with the full knowledge of:
a) the documents, whether or not the buyer has read them; and
b) the physical condition of the lot and what could reasonably be discovered on inspection of it, whether or not the buyer has inspected it.
- G1.10 The buyer is not to rely on the information contained in the particulars but may rely on the seller's conveyancer's written replies to preliminary enquiries to the extent stated in those replies.
- G2. Deposit
- G2.1 The amount of the deposit is the greater of:
a) £3,000 (or the total price if this is less than that; and
b) 10% of the price (exclusive of any VAT on the price).
- G2.2 The deposit
a) must be paid in pounds sterling by cheque or banker's draft drawn on an approved financial institution (or by any other means of payment that the auctioneers may accept); and
b) is to be held as stakeholder unless the auction conduct conditions provide that it is to be held as agent for the seller.
- G2.3 Where the auctioneers hold the deposit as stakeholder they are authorised to release it to the seller on completion or, if completion does not take place, to the person entitled to it under the sale conditions.
- G2.4 If a cheque for all or part of the deposit is not cleared on first presentation the seller may treat the contract as at an end and bring a claim against the buyer for breach of contract.
- G2.5 Interest earned on the deposit (if any) belongs to the seller unless the sale conditions provide otherwise.
- G3. Between contract and completion
- G3.1 Unless the special conditions state otherwise, the seller is to insure the lot from and including the contract date to completion and:
a) produce to the buyer on request all relevant insurance details;
b) pay premiums when due;
c) if the buyer so requests, and pays any additional premium, use reasonable endeavours to increase the sum insured or make other changes to the policy;
d) at the request of the buyer, use reasonable endeavours to have the buyer's interest noted on the policy if it does not cover a contracting purchaser;
e) unless otherwise agreed, cancel the insurance at completion, apply for a refund of premium and (subject to the rights of any tenant or other third party) pay that refund to the buyer; and
f) (subject to the rights of any tenant or other third party) hold on trust for the buyer any insurance payments that the seller receives in respect of loss or damage arising after the contract date or assign to the buyer the benefit of any claim;
and the buyer must on completion reimburse the seller the cost of that insurance (to the extent not already paid by the buyer or a tenant or other third party) for the period from and including the contract date to completion.
- G3.2 No damage to or destruction of the lot nor any deterioration in its condition, however caused, entitles the buyer to any reduction in price, or to delay completion or to refuse to complete.
- G3.3 Section 47 of The Law of Property Act 1925 does not apply.
- G3.4 Unless the buyer is already lawfully in occupation of the lot the buyer has no right to enter into occupation prior to completion.
- G4. Title and identity
- G4.1 Unless condition G4.2 applies, the buyer accepts the title of the seller to the lot as at the contract date and may raise no requisition or objection except in relation to any matter that occurs after the contract date.
- G4.2 If any of the documents are not made available before the auction the following provisions apply:
a) The buyer may raise no requisition or objection to any of the documents that is made available before the auction.
b) If the lot is registered land the seller is to give the buyer within five business days of the contract date an official copy of the entries on the register and title plan and, where noted on the register, of all documents subject to which the lot is being sold.
c) If the lot is not registered land the seller is to give the buyer within five business days an abstract or epitome of title starting from the root of title mentioned in the special conditions (or, if none is mentioned, a good root of title more than fifteen years old) and must produce to the buyer the original or examined copy of every relevant document.
d) If title is in the course of registration, title is to consist of certified copies of:
i. the application for registration of title made to the land registry;
ii. the documents accompanying that application;
iii. evidence that all applicable stamp duty land tax relating to that application has been paid; and
iv. a letter under which the seller or its conveyancer agrees to use all reasonable endeavours to answer any requisitions raised by the land registry and to instruct the land registry to send the completed registration documents to the buyer.
e) The buyer has no right to object to or make requisitions on any title information more than seven business days after that information has been given to the buyer.
- G4.3 Unless otherwise stated in the special conditions the seller sells with full title guarantee except that (and the transfer shall so provide):
a) the covenant set out in section 3 of the Law of Property (Miscellaneous Provisions) Act 1994 shall not extend to matters recorded in registers open to public inspection; these are to be treated as within the actual knowledge of the buyer; and
b) the covenant set out in section 4 of the Law of Property (Miscellaneous Provisions) Act 1994 shall not extend to any condition or tenant's obligation relating to the state or condition of the lot where the lot is leasehold property.
- G4.4 The transfer is to have effect as if expressly subject to all matters subject to which the lot is sold under the contract.
- G4.5 The seller does not have to produce, nor may the buyer object to
- or make a requisition in relation to, any prior or superior title even if it is referred to in the documents.
- G4.6 The seller (and, if relevant, the buyer) must produce to each other confirmation of, or evidence of, their identity and that of their mortgages and attorneys (if any) as is necessary for the other to comply with applicable Land Registry Rules when making application for registration of the transaction to which the conditions apply.
- G5. Transfer
- G5.1 Unless a form of transfer is prescribed by the special conditions:
a) the buyer must supply a draft transfer to the seller at least ten business days before the agreed completion date and the engrossment (signed as a deed by the buyer if condition G5.2 applies) five business days before that date or (if later) two business days after the draft has been approved by the seller; and
b) the seller must approve or revise the draft transfer within five business days of receiving it from the buyer.
- G5.2 If the seller remains liable in any respect in relation to the lot (or a tenancy) following completion the buyer is specifically to covenant in the transfer to indemnify the seller against any liability.
- G5.3 The seller cannot be required to transfer the lot to anyone other than the buyer, or by more than one transfer.
- G6. Completion
- G6.1 Completion is to take place at the offices of the seller's conveyancer, or where the seller may reasonably require, on the agreed completion date. The seller can only be required to complete on a business day between the hours of 0930 and 1700.
- G6.2 The amount payable on completion is the balance of the price adjusted to take account of apportionments plus (if applicable) VAT and interest.
- G6.3 Payment is to be made in pounds sterling and only by:
a) a direct transfer to the seller's conveyancer's client account; and
b) the release of any deposit held by a stakeholder.
- G6.4 Unless the seller and the buyer otherwise agree, completion cannot take place until both have complied with their obligations under the contract and the balance of the price is unconditionally received in the seller's conveyancer's client account.
- G6.5 If completion takes place after 1400 hours for a reason other than the seller's default it is to be treated, for the purposes of apportionment and calculating interest, as if it had taken place on the next business day.
- G6.6 Where applicable the contract remains in force following completion.
- G7. Notice to complete
- G7.1 The seller or the buyer may on or after the agreed completion date but before completion give the other notice to complete within ten business days (excluding the date on which the notice is given) making time of the essence.
- G7.2 The person giving the notice must be ready to complete.
- G7.3 If the buyer fails to comply with a notice to complete the seller may, without affecting any other remedy the seller has:
a) terminate the contract;
b) claim the deposit and any interest on it if held by a stakeholder;
c) forfeit the deposit and any interest on it;
d) resell the lot; and
e) claim damages from the buyer.
- G7.4 If the seller fails to comply with a notice to complete the buyer may, without affecting any other remedy the buyer has:
a) terminate the contract; and
b) recover the deposit and any interest on it from the seller or, if applicable, a stakeholder.
- G8. If the contract is brought to an end
If the contract is lawfully brought to an end:
a) the buyer must return all papers to the seller and appoints the seller its agent to cancel any registration of the contract; and
b) the seller must return the deposit and any interest on it to the buyer (and the buyer may claim it from the stakeholder, if applicable) unless the seller is entitled to forfeit the deposit under general condition G7.3.
- G9. Landlord's licence
- G9.1 Where the lot is or includes leasehold land and a licence to assign is required this condition G9 applies.
- G9.2 The contract is conditional on that licence being obtained, by way of a formal licence if that is what the landlord lawfully requires.
- G9.3 The agreed completion date is not to be earlier than the date five business days after the seller has given notice to the buyer that licence has been obtained.
- G9.4 The seller must:
a) use all reasonable endeavours to obtain the licence required at the seller's expense; and
b) enter into any authorised guarantee agreement properly required.
- G9.5 The buyer must:
a) promptly provide references and other relevant information; and
b) comply with the landlord's lawful requirements.
- G9.6 If within three months of the contract date (or such longer period as the seller and buyer agree) the licence has not been obtained the seller or the buyer may (if not then in breach of any obligation under this condition G9) by notice to the other terminate the contract at any time before licence is obtained. That termination is without prejudice to the claims of either seller or buyer for breach of this condition G9.
- G10. Interest and apportionments
- G10.1 If the actual completion date is after the agreed completion date for any reason other than the seller's default the buyer must pay interest at the interest rate on the price (less any deposit paid) from the agreed completion date up to and including the actual completion date.
- G10.2 Subject to condition G11 the seller is not obliged to apportion or account for any sum at completion unless the seller has received that sum in cleared funds. The seller must pay to the buyer after completion any sum to which the buyer is entitled that the seller subsequently receives in cleared funds.
- G10.3 Income and outgoings are to be apportioned at actual completion date unless:
- a) the buyer is liable to pay interest; and
b) the seller has given notice to the buyer at any time up to completion requiring apportionment on the date from which interest becomes payable by the buyer.
- in which event income and outgoings are to be apportioned on the date from which interest becomes payable by the buyer.
- G10.4 Apportionments are to be calculated on the basis that:
a) the seller receives income and is liable for outgoings for the whole of the day on which apportionment is to be made;
b) annual income and expenditure accrues at an equal daily rate assuming 365 days in a year; and income and expenditure relating to some other period accrues at an equal daily rate during the period to which it relates; and
c) where the amount to be apportioned is not known at completion apportionment is to be made by reference to a reasonable estimate and further payment is to be made by seller or buyer as appropriate within five business days of the date when the amount is known.
- G11. Arrears
- Part 1. Current rent
- G11.1 "Current rent" means, in respect of each of the tenancies subject to which the lot is sold, the instalment of rent and other sums payable by the tenant in advance on the most recent rent payment date or on within the four months preceding completion.
- G11.2 If on completion there are any arrears of current rent the buyer must pay them, whether or not details of those arrears are given in the special conditions.
- G11.3 Parts 2 and 3 of this condition G11 do not apply to arrears of current rent.
- Part 2. Buyer to pay for arrears
- G11.4 Part 2 of this condition G11 applies where the special conditions give details of arrears.
- G11.5 The buyer is on completion to pay, in addition to any other money then due, an amount equal to all arrears of which details are set out in the special conditions.
- G11.6 If those arrears are not old arrears the seller is to assign to the buyer all rights that the seller has to recover those arrears.
- Part 3. Buyer not to pay for arrears
- G11.7 Part 3 of this condition G11 applies where the special conditions:
a) so state; or
b) give no details of any arrears.
- G11.8 While any arrears due to the seller remain unpaid the buyer must:
a) try to collect them in the ordinary course of management but need not take legal proceedings or forfeit the tenancy;
b) pay them to the seller within five business days of receipt in cleared funds (plus interest at the interest rate calculated on a daily basis for each subsequent day's delay in payment);
c) on request, at the cost of the seller, assign to the seller or as the seller may direct the right to demand and sue for old arrears, such assignment to be in such form as the seller's conveyancer may reasonably require;
d) if reasonably required, allow the seller's conveyancer to have on loan the counterpart of any tenancy against an undertaking to hold it to the buyer's order;
e) not without the consent of the seller release any tenant or surety from liability to pay arrears or accept a surrender of or forfeit any tenancy under which arrears are due; and
f) if the buyer disposes of the lot prior to recovery of all arrears obtain from the buyer's successor in title a covenant in favour of the seller in similar form to part 3 of this condition G11.
- G11.9 Where the seller has the right to recover arrears it must not without the buyer's written consent bring insolvency proceedings against a tenant or seek removal of goods from the lot.
- G12. Management
- G12.1 This condition G12 applies where the lot is sold subject to tenancies.
- G12.2 The seller is to manage the lot in accordance with its standard management policies pending completion.
- G12.3 The seller must consult the buyer on all management issues that would affect the buyer after completion (such as, but not limited to, an application for licence; a rent review; a variation, surrender, agreement to surrender or proposed forfeiture of a tenancy, or a new tenancy or agreement to grant a new tenancy) and:
a) the seller must comply with the buyer's reasonable requirements unless to do so would (but for the indemnity in paragraph c)) expose the seller to a liability that the seller would not otherwise have, in which case the seller may act reasonably in such a way as to avoid that liability;
b) if the seller gives the buyer notice of the seller's intended act and the buyer does not object within five business days giving reasons for the objection the seller may act as the seller intends; and
c) the buyer is to indemnify the seller against all loss or liability the seller incurs through acting as the buyer requires, or by reason of delay caused by the buyer.
- G13. Rent deposits
- G13.1 This condition G13 applies where the seller is holding or is otherwise entitled to money by way of rent deposit in respect of a tenancy, in this condition G13 "rent deposit deed" means the deed or other document under which the rent deposit is held.
- G13.2 If the rent deposit is not assignable the seller must on completion hold the rent deposit on trust for the buyer and, subject to the terms of the rent deposit deed, comply at the cost of the buyer with the buyer's lawful instructions.
- G13.3 Otherwise the seller must on completion pay and assign its interest in the rent deposit to the buyer under an assignment in which the buyer covenants with the seller to:
a) observe and perform the seller's covenants and conditions in the rent deposit deed and indemnify the seller in respect of any breach;
b) give notice of assignment to the tenant; and
c) give such direct covenant to the tenant as may be required by the rent deposit deed.
- G14. VAT
- G14.1 Where a sale condition requires money to be paid or other consideration to be given, the buyer must also pay any VAT that is chargeable on that money or consideration, but only if given a valid VAT invoice.
- G14.2 Where the special conditions state that no VAT option has been

made the **seller** confirms that none has been made by it or by any company in the same VAT group nor will be prior to **completion**.

G15. Transfer as a going concern

G15.1 Where the **special conditions** so state:

- the **seller** and the **buyer** intend, and will take all practicable steps (short of an appeal) to procure, that the sale is treated as a transfer of a going concern; and
- this **condition** G15 applies.

G15.2 The **seller** confirms that the **seller**

- is registered for VAT, either in the **seller's** name or as a member of the same VAT group; and
- has (unless the sale is a standard-rated supply) made in relation to the lot a VAT option that remains valid and will not be revoked before **completion**.

G15.3 The **buyer** confirms that:

- it's registered for VAT, either in the **buyer's** name or as a member of a VAT group;
- has made, or will make before **completion**, a VAT option in relation to the lot and will not revoke it before or within three months after **completion**;
- article 5(2B) of the Value Added Tax (Specials Provisions) Order 1995 does not apply to it; and
- is not buying the lot as a nominee for another person.

G15.4 The **buyer** is to give to the **seller** as early as possible before the agreed **completion date** evidence:

- of the **buyer's** VAT registration;
- that the **buyer** has made a VAT option; and
- that the VAT option has been notified in writing to HM Revenue and Customs;

and if it does not produce the relevant evidence at least two **business days** before the agreed **completion date**, **condition** G14.1 applies at **completion**.

G15.5 The **buyer** confirms that after **completion** the **buyer** intends to:

- retain and manage the lot for the **buyer's** own benefits a continuing business as a going concern subject to and with the benefit of the **tenancies**; and
- collect the rents payable under the **tenancies** and charge VAT on them.

G15.6 If, after **completion**, it is found that the sale of the lot is not a transfer of a going concern then:

- the **seller's** conveyancer is to notify the **buyer's** conveyancer of that finding and provide a VAT invoice in respect of the sale of the lot;
- the **buyer** must within five **business days** of receipt of the VAT invoice pay the **seller** the VAT due; and
- if VAT is payable because the **buyer** has not complied with this **condition** G15, the **buyer** must pay and indemnify the **seller** against all costs, interest, penalties or surcharges that the **seller** incurs as a result.

G16. Capital allowances

G16.1 This **condition** G16 applies where the **special conditions** state that there are capital allowances available in respect to the lot.

G16.2 The **seller** is promptly to supply to the **buyer** all information reasonably required by the **buyer** in connection with the **buyer's** claim for capital allowances.

G16.3 The value to be attributed to those items on which capital allowances may be claimed is set out in the **special conditions**.

G16.4 The **seller** and **buyer** agree:

- to make an election on **completion** under Section 198 of the Capital Allowances Act 2001 to give effect to this **condition** G16; and
- to submit the value specified in the **special conditions** to the HM Revenue and Customs for the purposes of their respective capital allowance computations.

G17. Maintenance agreements

G17.1 The **seller** agrees to use reasonable endeavours to transfer to the **buyer**, at the **buyer's** cost, the benefit of the maintenance agreements specified in the **special conditions**.

G17.2 The **buyer** must assume, and indemnify the **seller** in respect of, all liability under such contracts from the **actual completion date**.

G18. Landlord and Tenant Act 1987

G18.1 This **condition** G18 applies where the sale is a relevant disposal for the purposes of part 1 of the Landlord and Tenant Act 1987.

G18.2 The **seller** warrants that the **seller** has complied with sections 5B and 7 of that Act and that the requisite majority of qualifying tenants has not accepted the offer.

G19. Sale by practitioner

G19.1 This **condition** G19 applies where the sale is by a **practitioner** either as **seller** or as agent of the **seller**.

G19.2 The **practitioner** has been duly appointed and is empowered to sell the lot.

G19.3 Neither the **practitioner** nor the firm or any member of the firm to which the **practitioner** belongs has any personal liability in connection with the sale or the performance of the **seller's** obligations. The **transfer** is to include a declaration excluding the personal liability.

G19.4 The lot is sold:

- in whatever its condition at **completion**;
- for such title the **seller** may have; and
- with no title guarantee;

and the **buyer** has no right to terminate the contract or any other remedy if information provided about the lot is inaccurate, incomplete or missing.

G19.5 Where relevant:

- the **documents** must include certified copies of those under which the **practitioner** is appointed, the document of appointment and the **practitioner's** acceptance of appointment; and
- the **seller** may require the **transfer** to be by the lender exercising its power of sale under the Law of Property Act 1925.

G19.6 The **buyer** understands this **condition** G19 and agrees that it is fair in the circumstances of a sale by a **practitioner**.

G20. TUPE

G20.1 If the **special conditions** state "There are no employees to which TUPE applies", this is a warranty by the **seller** to this effect.

G20.2 If the **special conditions** do not state "There are no employees to which TUPE applies" the following paragraphs apply:

- The **seller** must notify the **buyer** of those employees whose contracts of employment transfer to the **buyer** on **completion** (the "Transferring Employees"). This notification must be given to the **buyer** not less than fourteen days before **completion**.
- The **buyer** confirms it will comply with its obligation under TUPE and any **special conditions** in respect of the Transferring Employees.
- The **buyer** and the **seller** acknowledge that pursuant and subject to TUPE, the contracts of employment between the Transferring Employees and the **seller** will transfer to the **buyer** on **completion**.
- The **buyer** is to keep the **seller** indemnified against all liability for the Transferring Employees after **completion**.

G21. Environmental

G21.1 This **condition** G21 only applies where the **special conditions** so provide.

G21.2 The **seller** has made available such reports as the **seller** has as to the environmental condition of the lot and has given the **buyer** the opportunity to carry out investigations (whether or not the **buyer** has read those reports or carried out any investigation) and the **buyer** admits that the price takes into account the environmental condition of the lot.

G21.3 The **buyer** agrees to indemnify the **seller** in respect of all liability for or resulting from the environmental condition of the lot.

G22. Service Charge

G22.1 This **condition** G22 applies where the lot is sold subject to **tenancies** that include service charge provisions.

G22.2 No apportionment is to be made at **completion** in respect of service charges.

G22.3 Within two months after **completion** the **seller** must provide to the **buyer** a detailed service charge account for the service charge year current on **completion** showing:

- service charge expenditure attributable to each **tenancy**;
- payments on account of service charge received from each tenant;
- any amounts due from a tenant that have not been received;
- any service charge expenditure that is not attributable to any **tenancy** and is for that reason irrecoverable.

G22.4 In respect of each **tenancy**, if the service charge account shows that:

- payments on account (whether received or still then due from a tenant) exceed attributable service charge expenditure, the **seller** must pay to the **buyer** an amount equal to the excess when it provides the service charge account;
- attributable service charge expenditure exceeds payment on account (whether those payments have been received or are still then due), the **buyer** must use all reasonable endeavours to recover the shortfall from the tenant at the next service charge reconciliation date and pay the amount so recovered to the **seller** within five **business days** of receipt in cleared funds. but in respect of payments on account that are still due from a tenant **condition** G11 (arrears) applies.

G22.5 In respect of service charge expenditure that is not attributable to any **tenancy** the **seller** must pay the expenditure incurred in respect of the period before **actual completion date** and the **buyer** must pay the expenditure incurred in respect of the period after **actual completion date**. Any necessary monetary adjustment is to be made within five **business days** of the **seller** providing the service charge account to the **buyer**.

G22.6 If the **seller** holds any reserve or sinking fund on any account of future service charge expenditure or a depreciation fund:

- the **seller** must pay it (including any interest earned on it) to the **buyer** on **completion**; and
- the **buyer** must covenant with the **seller** to hold it in accordance with the terms of the **tenancies** and to indemnify the **seller** if it does not do so.

G23. Rent reviews

G23.1 This **condition** G23 applies where the lot is sold subject to a **tenancy** under which a rent review due on or before the **actual completion date**, has not been agreed or determined.

G23.2 The **seller** may continue negotiations or rent review proceedings up to the **actual completion date** but may not agree the level of the revised rent or commence the rent review proceedings without the written consent of the **buyer**, such consent not to be unreasonably withheld or delayed.

G23.3 Following **completion** the **buyer** must complete rent review negotiations or proceedings as soon as reasonably practicable but may not agree the level of the revised rent without the written consent of the **seller**, such consent not to be unreasonably withheld or delayed.

G23.4 The **seller** must promptly:

- give to the **buyer** full details of all rent review negotiations and proceedings, including copies of all correspondence and other papers; and
- use all reasonable endeavours to substitute the **buyer** for the **seller** in any rent review proceedings.

G23.5 The **seller** and the **buyer** are to keep each other informed of the progress of the rent review and have regard to any proposals the other makes in relation to it.

G23.6 When the rent review has been agreed or determined the **buyer** must account to the **seller** for any increased rent and interest recovered from the tenant that relates to the **seller's** period of ownership within five **business days** of receipt of cleared funds.

G23.7 If a rent review is agreed or determined before **completion** but the increased rent and any interest recoverable from the tenant has not been received by **completion** the increased rent and any interest recoverable is to be treated as arrears.

G23.8 The **seller** and the **buyer** are to bear their own costs in relation to rent review negotiations and proceedings.

G24. Tenancy renewals

G24.1 This **condition** G24 applies where the tenant under a **tenancy** has the right to remain in occupation under part 11 of the Landlord and Tenant Act 1954 (as amended), and references to notices and proceedings are to notices and proceedings under that Act.

G24.2 Where practicable, without exposing the **seller** to liability or penalty, the **seller** must not without the consent of the **buyer** (which the **buyer** must not unreasonably withhold or delay), serve or respond to any notice or begin or continue any proceedings.

G24.3 If the **seller** receives a notice the **seller** must send a copy to the **buyer** within five **business days** and act as the **buyer** reasonably directs in relation to it.

G24.4 Following **completion** the **buyer** must:

- with the co-operation of the **seller** take immediate steps to substitute itself as a party to the proceedings;
- use all reasonable endeavours to conclude any proceedings or negotiations for the renewal of the **tenancy** and the determination of any interim rent as soon as reasonably practicable at the best rent or rents reasonably obtainable; and
- if any increased rent is recovered from the tenant (whether as interim rent or under the renewed **tenancy**) account to the **seller** for part of that increase that relates to the **seller's** period of ownership of the lot within five **business days** of receipt of cleared funds.

G24.5 The **seller** and the **buyer** are to bear their own costs in relation to the renewal of the **tenancy** and any proceedings relating to this.

G25. Warranties

G25.1 Available warranties are listed in the **special conditions**.

G25.2 Where a warranty is assignable the **seller** must:

- on **completion** assign it to the **buyer** and give notice of assignment to the person who gave the warranty; and
- apply for (and the **seller** and the **buyer** must use all reasonable endeavours to obtain) any consent to assign that is required. If consent has not been obtained by **completion** the warranty must be assigned within five **business days** after the consent has been obtained.

G25.3 If a warranty is not assignable the **seller** must after **completion**:

- hold the warranty on trust for the **buyer**; and
- at the **buyer's** cost comply with such of the lawful instructions of the **buyer** in relation to the warranty as do not place the **seller** in breach of its terms or expose the **seller** to any liability or penalty.

G26. No assignment

The **buyer** must not assign, mortgage or otherwise transfer or part with the whole or any part of the **buyer's** interest under this **contract**.

G27. Registration at the Land Registry

G27.1 This **condition** G27.1 applies where the lot is leasehold and its sale either triggers first registration or is a registrable disposition. The **buyer** must at its own expense and as soon as is practicable:

- procure that it becomes registered at the Land Registry as proprietor of the lot;
- procure that all rights granted and reserved by the lease under which the lot is held are properly noted against the affected titles; and
- provide the **seller** with an official copy of the register relating to such lease showing itself registered as proprietor.

G27.2 This **condition** G27.2 applies where the lot comprises part of a registered title. The **buyer** must at its own expense and as soon as practicable:

- apply for registration of the **transfer**;
- provide the **seller** with an official copy and title plan for the **buyer's** new title; and
- join in any representations the **seller** may properly make to Land Registry relating to the application.

G28. Notices and other communications

G28.1 All communications, including notices, must be in writing. Communication to or by the **seller** or the **buyer** may be given to or by their conveyancers.

G28.2 A communication may be relied on if:

- delivered by hand; or
- made electronically and personally acknowledged (automatic acknowledgment does not count); or
- there is proof that it was sent to the address of the person to whom it is to be given (as specified in the sale memorandum) by a postal service that offers normally to deliver mail the next following **business day**.

G28.3 A communication is to be treated as received:

- when delivered, if delivered by hand; or
- when personally acknowledged, if made electronically;

but if delivered or made after 1700 hours on a **business day** a communication is to be treated as received on the next **business day**.

G28.4 A communication sent by a postal service that offers normally to deliver mail the next following **business day** will be treated as received on the second **business day** after it has been posted.

G29. Contracts (Rights of Third Parties) Act 1999
