

# *Pearsons Property Auction* Wednesday 12th April 2023

Commencing at 11am at the  
Robin Smith Suite, Ageas Bowl Cricket Ground  
West End, Southampton SO30 3XH

## Notes from the Rostrum

With 23 lots on offer and all still available at the time of going to print, we are proud to be hosting one of our larger auctions in recent years.

There is a spread of property styles throughout Southern Hampshire, ranging from a garage at £26,000 through to a number of individual homes all under £450,000.

At the lower end, there are several 1 / 2 bedroom flats in Portsmouth, Southampton and Winchester plus a pair of flats in Gosport, a perfect investment at a guide price of £135,000. Similarly there is a pair of 2 bedroom houses in Portsmouth at £325,000.

Two of the more unusual lots on offer are the commercial unit in Shanklin on the Isle of Wight and a building plot in Gosport that has planning consent for 2 flats with parking.

Traditionally bungalows always prove to be extremely popular and on this occasion we have 4, all of which are in non-estate locations and 3 of them have very large gardens.

The stock of houses cater for all tastes with each in need of some updating. Whether it's a home or investment there is something here to catch your eye, at prices that are very competitive in the current market.

Finally and not the most expensive lots are the cottage with a generous plot just outside of Wickham or in the Historic High Street in Fareham is a double width period home with 4 receptions, 4 bedrooms, large garden and parking at the quoted guide price £350,000.

Viewing days are well underway via the local offices and the legal packs are arriving daily. Any specific queries or concerns then give Steve, Gary or Jo a call on 023 8047 4274.

# Pre-Auction Offers

Pre-auction offers must be submitted in writing to the Auctioneers' office by letter or email, including name, address, telephone number and details of solicitors. Any pre-auction offer received is assumed to be a 'best offer' and no guarantee is given that there will be an opportunity to increase or review the offer should it not be accepted or should a better offer be received. Pre-auction offers can only be considered on the basis of an exchange of contracts prior to auction with a 10% deposit and payment of the Auctioneers' administration fee. If an offer is accepted the lot will not be withdrawn from the catalogue or advertising programme until exchange of contracts has taken place.

# Guide Prices & Reserves

Guides are provided as an indication of each seller's minimum expectation. They are not necessarily figures which a property will sell for and may change at any time prior to the auction. Each property will be offered subject to a Reserve (a figure below which the Auctioneer cannot sell the property during the auction) which we expect will be set within the Guide Range or no more than 10% above a single figure Guide.

# Common Auction Conditions

## Introduction

The Common Auction Conditions have been produced for real estate auctions in England and Wales to set a common standard across the industry. They are in three sections:

## Glossary

The glossary gives special meanings to certain words used in both sets of conditions.

## Auction Conduct Conditions

The Auction Conduct Conditions govern the relationship between the auctioneer and anyone who has a catalogue, or who attends or bids at the auction. They cannot be changed without the auctioneer's agreement.

These conditions are set out in a two-part notice to bidders in the auction catalogue, part one containing advisory material – and part two the auction conduct conditions.

## Sale Conditions

The Sale Conditions govern the agreement between each seller and buyer. They include general conditions of sale set out herein. The sale of each lot is also subject to special conditions of sale, tenancy and arrears schedules which are available from the Auctioneer.

## Important Notice

A prudent buyer will, before bidding for a lot at an auction:

- Take professional advice from a conveyancer and, in appropriate cases, a chartered surveyor and an accountant;
- Read the conditions;
- Inspect the lot;
- Carry out usual searches and make usual enquiries;
- Check the content of all available leases and other documents relating to the lot;
- Check that what is said about the lot in the catalogue is accurate;
- Have finance available for the deposit and purchase price;
- Check whether VAT registration and election is advisable;

The conditions assume that the buyer has acted like a prudent buyer.

If you choose to buy a lot without taking these normal precautions you do so at your own risk.

## Glossary

This glossary applies to the **auction conduct** conditions and the **sale conditions**.

Wherever it makes sense:

- singular words can be read as plurals, and plurals as singular words;

- receive and hold deposits;
- sign each **sale memorandum**; and
- treat a **contract** as repudiated if the **buyer** fails to sign a **sale memorandum** or pay a deposit as required by these **auction conduct conditions**.

A2.2 **Our** decision on the conduct of the **auction** is final

A2.3 **We** may cancel the **auction**, or alter the order in which **lots** are offered for sale. **We** may also combine or divide **lots**. A **lot** may be sold or withdrawn from sale prior to the **auction**.

A2.4 **You** acknowledge that to the extent permitted by law **we** owe **you** no duty of care and **you** have no claim against **us** for any loss.

### A3. Bidding and reserve prices

A3.1 All bids are to be made in pounds sterling exclusive of any applicable **VAT**.

A3.2 **We** may refuse to accept a bid. **We** do not have to explain why.

A3.3 If there is a dispute over bidding **we** are entitled to resolve it, and **our** decision is final.

A3.4 Unless stated otherwise each **lot** is subject to a reserve price (which may be fixed just before the **lot** is offered for sale). If no bid equals or exceeds that reserve price the **lot** will be withdrawn from the auction.

A3.5 Where there is a reserve price the **seller** may bid (or ask **us** or another agent to bid on the **seller's** behalf) up to the reserve price but may not make a bid equal to or exceeding the reserve price. **You** accept that it is possible that all the bids up to the reserve price are bids made by or on behalf of the **seller**.

A3.6 Where a guide price (or range of prices) is given that guide is the minimum price at which, or range of prices within which, the **seller** might be prepared to sell at the date of the guide price. But guide prices may change. The last published guide price will normally be at or above any reserve price but not always – as the **seller** may fix the final reserve price just before bidding commences.

### A4. The **particulars** and other information

A4.1 **We** have taken reasonable care to prepare **particulars** that correctly described each **lot**. The **particulars** are based on information supplied by or on behalf of the **seller**. **You** need to check that the information in the **particulars** is correct.

A4.2 If the **special conditions** do not contain a description of the **lot**, or simply refer to the relevant lot number, you take the risk that the description contained in the **particulars** is incomplete or inaccurate, as the **particulars** have not been prepared by a conveyancer and are not intended to form part of a legal contract.

A4.3 The **particulars** and the **sale conditions** may change prior to the **auction** and it is **your** responsibility to check that **you** have the correct versions.

A4.4 If **we** provide information, or a copy of a document, provided by others **we** do so only on the basis that **we** are not responsible for the accuracy of that information or document.

### A5. The **contract**

A5.1 A successful bid is one **we** accept as such (normally on the fall of the hammer). This **condition** A5 applies to you if **you** make the successful bid for a **lot**.

A5.2 **You** are obliged to buy the **lot** on the terms of the **sale memorandum** at the price you bid plus **VAT** (if applicable).

A5.3 **You** must before leaving the **auction**:

- provide all the information **we** reasonably need from **you** to enable **us** to complete the **sale memorandum** (including proof of identity if required by **us**);
- sign the completed **sale memorandum**; and
- pay the deposit.

A5.4 If **you** do not **we** may either:

- as agent for the **seller** treat that failure as **your** repudiation of the **contract** and offer the **lot** for sale again; the **seller** may then have a claim against **you** for breach of contract; or
- sign the **sale memorandum** on **your** behalf.

A5.5 The deposit:

- is to be held as stakeholder where **VAT** would be chargeable on the deposit were it to be held as agent for the **seller**, but otherwise is to be held as stated in the **sale conditions**; and
- must be paid in pounds sterling by cheque or by bankers draft made payable to Pearsons Southern Ltd on an approved financial institution. The extra **auction conduct conditions** may state if **we** can accept any other form of payment.

A5.6 **We** may retain the **sale memorandum** signed by or on behalf of the **seller** until the deposit has been received in cleared funds.

A5.7 If the **buyer** does not comply with its obligations under the **contract** then:

- you** are personally liable to buy the **lot** even if **you** are acting as agent; and
- you** must indemnify the **seller** in respect of any loss the **seller** incurs as a result of the **buyer's** default.

A5.8 Where the **buyer** is a company **you** warrant that the **buyer** is properly constituted and able to buy the **lot**.

### A6. Extra Auction Conduct Conditions

A6.1 Despite any **special conditions** to the contrary the minimum deposit **we** will accept is £3,000 (or the total **price**, if less). A **special condition** may, however, require a higher minimum deposit.

Words in bold blue type have special meanings, which are defined in the Glossary.

These **general conditions** (including any extra general conditions) apply to the **contract** except to the extent that they are varied by **special conditions** or by an **addendum**.

- G2.4 If a cheque for all or part of the **deposit** is not cleared on first presentation the **seller** may treat the **contract** as at an end and bring a claim against the **buyer** for breach of **contract**.
- G2.5 Interest earned on the deposit (if any) belongs to the **seller** unless the **sale conditions** provide otherwise.
- G3. Between **contract** and **completion**

c) if the **buyer** so requests, and pays any additional premium, use reasonable endeavours to increase the sum insured or make other changes to the policy;

and the **buyer** must on **completion** reimburse to the **seller** the cost of that insurance (to the extent not already paid by the **buyer** or a tenant or other third party) for the period from and including the **contract date** to **completion**.
- G3.2 No damage to or destruction of the **lot** nor any deterioration in its condition, however caused, entitles the **buyer** to any reduction in **price**, or to **delay completion** or to refuse to **complete**.
- G3.3 Section 47 of The Law of Property Act 1925 does not apply.
- G3.4 Unless the **buyer** is already lawfully in occupation of the **lot** the **buyer** has no right to enter into occupation prior to **completion**.

c) If the **lot** is not registered land the **seller** is to give the **buyer** within five **business days** an abstract or epitome of title starting from the root of title mentioned in the **special conditions** (or, if none is mentioned, a good root of title more than fifteen years old) and must produce to the **buyer** the original or examined copy of every relevant **document**.  
d) If title is in the course of registration, title is to consist of certified copies of:

e) The **buyer** has no right to object to or make requisitions on any title information more than seven **business days** after that information has been given to the **buyer**.
- G4.3 Unless otherwise stated in the **special conditions** the **seller** sells with full title guarantee except that (and the **transfer** shall so provide):

That termination is without prejudice to the claims of either **seller** or **buyer** for breach of this **condition** G9.

and the **buyer** has no right to terminate the contract or any other remedy if information provided about the lot is inaccurate, incomplete or missing.

##### G19.5 Where relevant:

- the **documents** must include certified copies of those under which the **practitioner** is appointed, the document of appointment and the **practitioner's** acceptance of appointment; and
- the **seller** may require the **transfer** to be by the lender exercising its power of sale under the Law of Property Act 1925.

##### G19.6 The **buyer** understands this **condition** G19 and agrees that it is fair in the circumstances of a sale by a **practitioner**.

#### G20. TUPE

##### G20.1 If the **special conditions** state "There are no employees to which **TUPE** applies", this is a warranty by the **seller** to this effect.

##### G20.2 If the **special conditions** do not state "There are no employees to which **TUPE** applies" the following paragraphs apply:

- The **seller** must notify the **buyer** of those employees whose contracts of employment transfer to the **buyer** on **completion** (the "Transferring Employees"). This notification must be given to the **buyer** not less than fourteen days before **completion**.
- The **buyer** confirms it will comply with its obligation under **TUPE** and any **special conditions** in respect of the Transferring Employees.
- The **buyer** and the **seller** acknowledge that pursuant and subject to **TUPE**, the contracts of employment between the Transferring Employees and the **seller** will transfer to the **buyer** on **completion**.
- The **buyer** is to keep the **seller** indemnified against all liability for the Transferring Employees after **completion**.

#### G21. Environmental

##### G21.1 This **condition** G21 only applies where the **special conditions** so provide.

##### G21.2 The **seller** has made available such reports as the **seller** has as to the environmental condition of the lot and has given the **buyer** the opportunity to carry out investigations (whether or not the **buyer** has read those reports or carried out any investigation) and the **buyer** admits that the **price** takes into account the environmental condition of the lot.

##### G21.3 The **buyer** agrees to indemnify the **seller** in respect of all liability for or resulting from the environmental condition of the lot.

#### G22. Service Charge

##### G22.1 This **condition** G22 applies where the lot is sold subject to **tenancies** that include service charge provisions.

##### G22.2 No apportionment is to be made at **completion** in respect of service charges.

##### G22.3 Within two months after **completion** the **seller** must provide to the **buyer** a detailed service charge account for the service charge year current on **completion** showing:

- service charge expenditure attributable to each **tenancy**;
- payments on account of service charge received from each tenant;
- any amounts due from a tenant that have not been received;
- any service charge expenditure that is not attributable to any **tenancy** and is for that reason irrecoverable.

##### G22.4 In respect of each **tenancy**, if the service charge account shows that:

- payments on account (whether received or still then due from a tenant) exceed attributable service charge expenditure, the **seller** must pay to the **buyer** an amount equal to the excess when it provides the service charge account;
  - attributable service charge expenditure exceeds payment on account (whether those payments have been received or are still then due), the **buyer** must use all reasonable endeavours to recover the shortfall from the tenant at the next service charge reconciliation date and pay the amount so recovered to the **seller** within five **business days** of receipt in cleared funds.
- but in respect of payments on account that are still due from a tenant **condition** G11 (**arrears**) applies.

##### G22.5 In respect of service charge expenditure that is not attributable to any **tenancy** the **seller** must pay the expenditure incurred in respect of the period before **actual completion date** and the **buyer** must pay the expenditure incurred in respect of the period after **actual completion date**. Any necessary monetary adjustment is to be made within five **business days** of the **seller** providing the service charge account to the **buyer**.

##### G22.6 If the **seller** holds any reserve or sinking fund on any account of future service charge expenditure or a depreciation fund:

- the **seller** must pay it (including any interest earned on it) to the **buyer** on **completion**; and
- the **buyer** must covenant with the **seller** to hold it in accordance with the terms of the **tenancies** and to indemnify the **seller** if it does not do so.

#### G23. Rent reviews

##### G23.1 This **condition** G23 applies where the lot is sold subject to a **tenancy** under which a rent review due on or before the **actual completion date**, has not been agreed or determined.

##### G23.2 The **seller** may continue negotiations or rent review proceedings up to the **actual completion date** but may not agree the level of the revised rent or commence the rent review proceedings without the written consent of the **buyer**, such consent not to be unreasonably withheld or delayed.

##### G23.3 Following **completion** the **buyer** must complete rent review negotiations or proceedings as soon as reasonably practicable but may not agree the level of the revised rent without the written consent of the **seller**, such consent not to be unreasonably withheld or delayed.

##### G23.4 The **seller** must promptly:

- give to the **buyer** full details of all rent review negotiations and proceedings, including copies of all correspondence and other papers; and
- use all reasonable endeavours to substitute the **buyer** for the **seller** in any rent review proceedings.

##### G23.5 The **seller** and the **buyer** are to keep each other informed of the progress of the rent review and have regard to any proposals the other makes in relation to it.

##### G23.6 When the rent review has been agreed or determined the **buyer** must account to the **seller** for any increased rent and interest recovered from the tenant that relates to the **seller's** period of ownership within five **business days** of receipt of cleared funds.

##### G23.7 If a rent review is agreed or determined before **completion** but the increased rent and any interest recoverable from the tenant has not been received by **completion** the increased rent and any interest recoverable is to be treated as **arrears**.

##### G23.8 The **seller** and the **buyer** are to bear their own costs in relation to rent review negotiations and proceedings.

#### G24. Tenancy renewals

##### G24.1 This **condition** G24 applies where the tenant under a **tenancy** has the right to remain in occupation under part 11 of the Landlord and Tenant Act 1954 (as amended), and references to notices and proceedings are to notices and proceedings under that Act.

##### G24.2 Where practicable, without exposing the **seller** to liability or penalty, the **seller** must not without the consent of the **buyer** (which the **buyer** must not unreasonably withhold or delay), serve or respond to any notice or begin or continue any proceedings.

##### G24.3 If the **seller** receives a notice the **seller** must send a copy to the **buyer** within five **business days** and act as the **buyer** reasonably directs in relation to it.

##### G24.4 Following **completion** the **buyer** must:

- with the co-operation of the **seller** take immediate steps to substitute itself as a party to the proceedings;
- use all reasonable endeavours to conclude any proceedings or negotiations for the renewal of the **tenancy** and the determination of any interim rent as soon as reasonably practicable at the best rent or rents reasonably obtainable; and
- if any increased rent is recovered from the tenant (whether as interim rent or under the renewed **tenancy**) account to the **seller** for part of that increase that relates to the **seller's** period of ownership of the lot within five **business days** of receipt of cleared funds.

##### G24.5 The **seller** and the **buyer** are to bear their own costs in relation to the renewal of the **tenancy** and any proceedings relating to this.

#### G25. Warranties

##### G25.1 Available warranties are listed in the **special conditions**.

##### G25.2 Where a warranty is assignable the **seller** must:

- on **completion** assign it to the **buyer** and give notice of assignment to the person who gave the warranty; and
- apply for (and the **seller** and the **buyer** must use all reasonable endeavours to obtain) any consent to assign that is required. If consent has not been obtained by **completion** the warranty must be assigned within five **business days** after the consent has been obtained.

##### G25.3 If a warranty is not assignable the **seller** must after **completion**:

- hold the warranty on trust for the **buyer**; and
- at the **buyer's** cost comply with such of the lawful instructions of the **buyer** in relation to the warranty as do not place the **seller** in breach of its terms or expose the **seller** to any liability or penalty.

#### G26. No assignment

The **buyer** must not assign, mortgage or otherwise transfer or part with the whole or any part of the **buyer's** interest under this **contract**.

#### G27. Registration at the Land Registry

##### G27.1 This **condition** G27.1 applies where the lot is leasehold and its sale either triggers first registration or is a registrable disposition. The **buyer** must at its own expense and as soon as is practicable:

- procure that it becomes registered at the Land Registry as proprietor of the lot;
- procure that all rights granted and reserved by the lease under which the lot is held are properly noted against the affected titles; and
- provide the **seller** with an official copy of the register relating to such lease showing itself registered as proprietor.

##### G27.2 This **condition** G27.2 applies where the lot comprises part of a registered title. The **buyer** must at its own expense and as soon as practicable:

- apply for registration of the **transfer**;
- provide the **seller** with an official copy and title plan for the **buyer's** new title; and
- join in any representations the **seller** may properly make to Land Registry relating to the application.

#### G28. Notices and other communications

##### G28.1 All communications, including notices, must be in writing. Communication to or by the **seller** or the **buyer** may be given to or by their conveyancers.

##### G28.2 A communication may be relied on if:

- delivered by hand; or
- made electronically and personally acknowledged (automatic acknowledgment does not count); or
- there is proof that it was sent to the address of the person to whom it is to be given (as specified in the **sale memorandum**) by a postal service that offers normally to deliver mail the next following **business day**.

##### G28.3 A communication is to be treated as received:

- when delivered, if delivered by hand; or
- when personally acknowledged, if made electronically;

but if delivered or made after 1700 hours on a **business day** a communication is to be treated as received on the next **business day**.

##### G28.4 A communication sent by a postal service that offers normally to deliver mail the next following **business day** will be treated as received on the second **business day** after it has been posted.

#### G29. Contracts (Rights of Third Parties) Act 1999

No one is intended to have any benefit under the **contract** pursuant to the Contract (Rights of Third Parties) Act 1999.
